

Aspper.com Software License Agreement

Please read this license agreement carefully before you download, install or use any of Aspper.com products.

"You" refers to an individual, related agent, organization, employee, or representative of You, using, implementing, downloading, or installing the underlying Software. In any of the above events, all liability for a breach of this agreement shall be the responsibility of "You".

"Software" refers to any and all computer programs developed or provided by Aspper.com, including, but not limited to, applicable programs, fonts, components, hosted services, source code, modules, corresponding documentation, updates, upgrades, or modifications thereto.

By downloading, installing, implementing or using Aspper.com Software, You acknowledge that You have read, understood, and agreed to all the terms and conditions of this Software License Agreement (hereafter the "Agreement"). If You **Do Not** agree to these terms of this Agreement, please **Do Not** use, implement, or install the Software.

1. License Grant

Aspper.com grants to You only the non-exclusive, non-transferable, and perpetual right to copy, use, or modify the Software in accordance with this Agreement. Aspper.com provides multiple barcode software license types to meet the needs of different companies and implementations. Particular licenses may be provided for the Software depending on the intended use of it.

1.1 Evaluation License

Evaluation License grants the right of using the Software for **Evaluation** purposes only. Software that is distributed as shareware, demo or evaluation version may only be used for testing the functionality for a period of thirty days only. Integration within derived or end products and commercial use purpose are not allowed.

1.2 Developer License

Developer Licenses grants royalty-free use of the Software by You for the purpose of application development. You are allowed to use the Software within your company as well as outside your company bundled with an application. It is licensed by the number of developers that will use or work with the Software. Four Developer License types are provided:

1.2.1 Small Company Developer License: grants all rights of the One Developer License to all organizations with a gross annual revenue or funding of less than 2 million U.S. Dollars (or equivalent amount in a foreign currency).

1.2.2 One Developer License: grants royalty-free distribution and use of the Software for a Single developer on more than one computer to design, develop or test applications. This license type also allows royalty-free distribution for unlimited user licenses and deployment any number of applications for unlimited servers.

Additional licenses must be ordered for more than one developer using the Software to design, develop or test applications.

1.2.3 Five Developer License: grants Five developers royalty-free distribution and use of the Software on more than one computer to design, develop or test applications. This license type allows royalty-free distribution for unlimited user licenses and deployment of any number of applications for unlimited servers.

1.2.4 Unlimited Developer License: grants Unlimited developers royalty-free distribution and use of the Software on more than one computer to design, develop or test applications. This license type allows royalty-free distribution for unlimited user licenses and deployment of any number of applications for unlimited servers.

1.3 License Distribution Terms

Aspper.com provides perpetual and royalty-free distribution to You for using all Software license type within your companies, as well as outside your companies. You may use the Software as part of solutions in their development applications, providing that You agree to the following terms:

1.3.1

More than one developer, whose number is less than five, may use or develop with the Software after purchasing an additional Developer License or the Five Developer License. Five Developer License are recommended for the lower cost than that of double One Developer License.

1.3.2

Five developers or more may use or develop with the Software after purchasing the Five Developer License or Unlimited Developer License.

1.3.3

You must distribute the Software as a part of solutions of an application and bundle the Software with an application. You must make sure that the distribution of Software will not compete with Aspper.com.

2. Copyright

Aspper.com keeps the ownership of all copyright interests in the Software and the accompanying materials, including any derivative works based upon the Software. You must comply with this Agreement by downloading, using, implementing and distributing the Software, as well as the accompanying materials. Any unauthorized copying or using of the Software, including modified, merged with any other applications is forbidden. You may be legally responsible for any behavior which violates the intellectual property rights and this Agreement. Reasonable number of copies of the Software and the accompanying materials used for developing, distributing, or archiving, are allowed under the Developer License terms.

3. Agreement Duration and Termination

This Agreement takes effect when the Software is downloaded, used or when a Developer License is purchased or granted, and is perpetual unless termination has come into force under this Agreement. You may terminate this Agreement through returning the Software to Aspper.com and deleting all copies at any time. Infringement of the Agreement from You may also lead to the termination. Aspper.com reserves the termination rights to the Software at any time. However, Aspper.com is obligated to offer support of appropriate level for the discontinued products for One-Year from the discontinued date.

4. Limited Warranty

No Warranties! Aspper.com claims No Warranties for the Software. The Software and the accompanying materials are provided "as is" without warranty or representation, either express or implied, as to performance, merchantability or fitness for any particular purpose. You assume the entire risk of any damage caused by this Software.

5. Limitation of Liability

No Liability for Consequential Damages. In no event shall Aspper.com be liable for any incidental, indirect, consequential, or special damages (including, but not limited to, damages for loss of business profits, business interruption, loss of business information, or any other pecuniary loss) arising out of the use of or inability to use Aspper.com Software, the accompanying materials, or failure to provide support services, even if Aspper.com has been advised of the possibility of such damages.

6. Priority Support

Aspper.com provides a free Priority Support and Product Upgrade to the Software for a period of 60 days from the date of purchase on any licensed Software. Aspper.com provides the Priority Support through email, and guarantees that all support is going to be provided within 24 hours. Priority Support and Product Upgrade to the Software may be provided beyond 60 days if You purchase Priority Support and Product Upgrade Subscription via contacting with support@aspper.com

7. Entire Agreement

This is the entire Agreement between You and Aspper.com on the Software, the accompanying materials, as well as the technical support services. It supersedes all prior or contemporaneous communications, proposals and representations and shall control any terms of Aspper.com policies for the Software and technical support services which may conflict with the terms of this Agreement.
